

QUALITY POLICY

1. We will ensure high standards of design, workmanship and materials on our projects.
2. We will work closely with our chosen consultants, sub-contractors and suppliers to deliver high quality construction projects, on time and within budget.
3. We will maintain an independently registered ISO 9001 Quality System in order to provide a robust framework for setting quality objectives and ensuring customer satisfaction.
4. We will continually improve the Quality System to ensure it supports our construction management processes.
5. We will satisfy all applicable legal and contractual requirements.
6. We will look after the welfare of our employees and support them throughout their careers with Jerram Falkus Construction Limited.
7. We will train our employees and encourage them to improve their skills.
8. We will continue to innovate and embrace new methods of construction.
